IV. VOTING and ELECTIONS

All District Officers and GSRs are voting members of District 11.

1. **GENERAL BUSINESS:** All matters are decided after discussion and vote. A 2/3 majority (also known as a super majority) is required for any motion to pass. If less than 2/3 of those voting approves a motion, the motion does not pass.

Before a vote is taken, the DCM/Chair will ask if this is an item that we need to take to our groups. If a simple majority agrees that it should be taken to the Groups, the item is tabled to the next month. If a majority vote that the item <u>does not</u> need to be taken to the Groups, it will be voted on at that point.

2. **MINORITY OPINION:** When a motion is passed by a 2/3 majority, those voting in the minority are given an opportunity to re-state their position. (See The A.A. Service Manual – "Minority Opinion") If someone from the majority wants to change their vote, the DCM asks for a show of hands to see if there is a majority that might like to reconsider the motion. If a majority want to reconsider the motion, the motion is again discussed, then voted on again. If a majority do not vote to reconsider the motion, the original vote stands.

- 3. **ELECTIONS:** District Officers will be elected by District 11 membership in December of the even numbered years to start serving in January of the following year (the same as Area 52 elections).
 - Members of District 11 can "make themselves available" for election (do not have to be nominated) to those positions that they are eligible for.

Summary of General Service Conference Procedures (modified Robert's Rules of Order)

Generally speaking, the General Service Conference follows *Robert's Rules of Order*, and proceeds on as informal a basis as possible consistent with the rights of all concerned. It is important to remember that the purpose of rules of order is to make it easier for the Conference to conduct its business; rules exist to allow the Conference to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience. Over the years the Conference has adopted some exceptions to *Robert's Rules*, which help it to proceed more closely in accord with the spirit of A.A. Tradition.

Conference Quorum

A Conference quorum – 2/3 of all registered members – is required to conduct Conference business.

Committee System

To the extent possible, important matters to come before the Conference will be handled via the "Committee system." This assures that a large number of questions can be dealt with during Conference week. Each Committee considers carefully the items before it and presents its recommendations to the Conference as a whole for acceptance or rejection. Recommendations of Conference committees are automatically motions that have been made and seconded. Members are urged to resist the temptation to edit recommendations on the floor.

Substantial Unanimity

All matters of policy (Conference Advisory Actions) require substantial unanimity, that is, a 2/3 majority. Any actions, including amendments, that affect an Advisory Action, or motions that might result in such an action, also require a 2/3 majority. Because the number of members present in the hall during the week of Conference varies from time to time, the phrase "2/3 majority" is taken to mean 2/3 vote of the Conference members voting, as long as the total vote constitutes a Conference quorum.

Minority Opinion

After each vote on a matter of policy, the side which did not prevail will always be given an opportunity to speak to their position. If the motion passes with 2/3 vote, the minority may speak. If the motion receives a majority vote, but fails to pass for lack of a 2/3 vote, the majority may speak.

General Rules of Debate and Voting

- People who wish to speak line up at the microphones and are called on in order.
- Each person may speak for two (2) minutes.

- No one may speak for a second time on a topic until all who wish to have spoken for the first time.
- *Full* discussion of a recommendation should take place *before* each vote.
- Everyone is entitled to, and should, express his or her opinion. However, if your perspective has already been stated by someone else, it is not necessary to go to the mike and say it again.
- Premature actions (e.gt. amending motions early in the discussion or hastily calling the question) can divert attention from the subject at hand, thus confusing and/or delaying Conference business.
- Voting is by show of hands.

Tabling a Motion

Tabling a motion (postponing discussion to a later time during the same Conference):

- Must be made without comment.
- Requires a second.
- Is not debatable.
- Needs only a simple majority to pass.

Calling the Question

Calling the question brings debate to a halt while Conference members decide whether to proceed directly to a vote (the question) or go on with the debate. A motion go call the question:

- Must be made in order at the microphone.
- Must be made without comment.
- Requires a second.
- Is not debatable.
- Requires a 2/3 vote.

Reconsideration

A motion to reconsider a vote may be made only by a member who voted with the prevailing side, but it can be seconded by anyone.

- Only a *simple majority* is required.
- If the majority votes to reconsider, *full debate*, pro and con is resumed. (Conference members are urged to limit discussion to *new* considerations of the question under debate.)
- No action may be reconsidered twice.

Floor Actions

Floor actions may be introduced at any time during the Conference except at the Sharing Sessions, and:

- Must be made without comment.
- Must be submitted in writing by the maker to the Conference secretary.
- Will come up for deliberation after all Committee reports have been heard.
- Require a 2/3 majority.

When a floor action is to be heard, its maker will be given two (2) minutes to state the rationale behind the action, after which the chair shall ask if there is a motion that the Conference decline to consider the floor action. A motion to decline to hear a floor action:
