

**Area 52 Area Assembly of Alcoholics Anonymous
Service Handbook
Fall 2019**

Area 52 (North Dakota) is currently represented by approximately 151 AA Groups. These AA Groups are located in 9 Districts (See map on back page). Each group elect's officers as needed for the group to function properly. (See the pamphlet P-16: The AA Group).

The most important of the group's trusted servants may be the General Service Representative (GSR). The GSR is elected by the Group and represents the Group by carrying the concerns of the Group to the District and Area and bringing information back to the Group from the District and Area. The GSR is the link between the Group and AA as a whole.

The GSRs of a District, along with their District elected officers, form the District Committee. One of their elected trusted servants is the DCM (District Committee Member).

The 9 DCMs of Area 52 help form the Area Committee. In addition to the 9 DCMs in Area 52, the Area Committee includes the following trusted servants.

The following Area Officers are elected by the Area Assembly.

1. Area Delegate

And maintain hardware and software of computer systems purchased or licensed for Area 52 committees.

The Guide to Officer Service Positions document will be approved and updated by the Agenda Committee with input by Area Committee Chairs at each Fall Assembly.

Committee Guidelines:

Each committee is responsible for considering any agenda items assigned to it and/or it may discuss any issue that falls within its suggested purpose. A committee may simply discuss ideas and report these to the Assembly for input or suggestion, or a committee may make specific recommendations that they wish the Assembly to act upon and accept as an Area action. Such a recommendation is considered to be a motion and a second, and is followed by discussion and then a vote of the Assembly. Recommendations should be stated clearly as possible, for example: The Archives Committee recommends that the archives be stored at X, Y, Z Storage in Burlington, ND, for the annual sum of \$250.00.

A Brief Guide to Assembly Procedures:

The function of rules of procedure is to make it possible for the Assembly to carry out its responsibility in a reasonable amount of time and to arrive at the effective group conscience of the body. The Assembly is generally best served with as few rules as possible to allow it to do its business. Some basic rules are:

MOTION: A committee recommendation is considered a motion and a second and is followed by discussion before any action is taken. The final order of Assembly business will be to consider any floor actions that have been submitted in writing. All floor actions will be heard unless there is a motion that the Assembly decline to consider a proposed floor action, which is not debatable and will require a 2/3 majority to carry.

SECOND: A motion from the floor must have a Second in order to be considered. Without a Second, a motion "dies."

THINGS THAT CAN HAPPEN TO A MOTION: After a motion is made and seconded, discussion and possible vote follows. However, a secondary motion to the original motion may also be made. Such motions are:

To Amend: A motion to amend requires a second and then is followed by discussion and vote. Discussion of the original motion then resumes (with a possible amendment).

To Postpone: A motion may be made to postpone a motion being considered. Such a motion requires a second and if passed the motion may be postponed until a definite time or may be postponed "indefinitely", which in effect kills the motion. A motion may also be "tabled" until the next meeting, but then will require a motion to "take it off the table", or the motion will then die. A motion can be referred to committee by a motion made and passed by the Assembly.

CALLING THE QUESTION: At any time during discussion, a motion can be made to vote immediately (calling the question). Such a motion is not debatable, but requires a second. A motion to call the question requires a 2/3 vote for passage. If the motion to call the question passes, a vote is taken immediately on the motion under consideration.

MINORITY OPINION: After a vote on an issue, the chair asks if the minority wishes to speak. Only those who voted in the minority may speak at this time. The Chair then asks, "Do I hear a motion to reconsider?" Only someone who voted in the majority may make a motion to reconsider, and the motion requires a second. If the motion to reconsider is passed, discussion and vote will follow, but discussion is limited to new considerations of the question under debate. After a second vote, the action cannot be considered again.

REACHING DECISIONS...VOTING: If discussion on a matter signifies considerable favor, the chairperson may ask, "Is it the sense of the meeting that this motion be adopted?" If there is no objection, the motion is considered passed. Voting may be done by voice vote, where the chair will ask for ayes and nays and then will declare the vote for or against. If someone disagrees with the count, or if the voice vote is not conclusive, the chair must then ask for a show of hands or a standing vote, with an actual count being taken.

Generally, motions are decided by a majority vote, except in matters that limit or close debate which requires a 2/3 majority (such as a motion to call the question).

While all AA members may take part in discussion, motions, seconds, and voting are limited to acting GSRs, DCMs, and the Area Officers.

ASSEMBLY AGENDA: The Finance Report should be placed on the assembly agenda prior to Committee sessions so Committee members are aware of finances before making prudent decisions.

Guidelines for Hosting Area Assemblies

- The March Assembly and Area 52 Service Conference will rotate between Bismarck and Minot due to the central location – even years in Minot and odd years in Bismarck, on the third weekend, if possible.
- The March and June Assemblies are held on Saturday and Sunday, with the Assembly beginning Saturday morning about 8:00 a.m. and adjourning about noon on Sunday. Friday night of the March Assembly weekend the Area 52 Service Conference is conducted. Friday night of the June Assembly weekend, will have a workshop or AA meeting. The hosting district should provide a closed AA meeting on Saturday at the assembly location or a meeting list for that city.
- The June Assembly is held in locations that are too small to host a State Roundup, usually on the first weekend. The hosting of the June Assembly alternate between the east and the west, without specific districts assigned. Most districts have found it beneficial to host an Assembly, and give their AA members an opportunity to serve and to learn more about how the service structure functions.
- The September Assembly is held at the State AA Roundup, which is held on the third weekend of September, if possible. It is a one-day session, generally ending on Saturday afternoon.
- It is strongly encouraged that the utmost in cooperation be used in planning, with the Host District and AI-Anon working together.

Guidelines for Assembly Facilities:

- Seating for a minimum of 75 people is required. Tables with chairs facing the podium are suggested. A podium and tables for the Area officers are to be located at the front of the room, and a PA system may also be necessary.
- A registration table should be situated near the entrance to the meeting room staffed by volunteers from the district if possible. Name tags should be provided, along with a registration book.
- Coffee should be available during the entire Assembly with a basket put out for contributions. Rolls or donuts are optional; however, it is the hosting district's expense.
- A container for the Ask-It-Basket will be needed for written questions and suggestions.
- Area 52 will reimburse the District for any expenses incurred. Please make financial arrangements with the Area Treasurer.
- The Area Chairperson will assist with any questions the district may have. Please keep in touch.
- Please make the meeting location known to the Area Chairperson as soon as possible, as well as any lodging information so that they may be included when a meeting agenda is sent out.

Guidelines for Hosting Area Conventions

(In addition to the following guidelines, also refer to the AA Guidelines on Conferences and Conventions from the General Service Office & Area 52 State Roundup Suggested Guidelines)

Convention Date:

The date of the convention should be as near as possible to the third weekend in September.

Convention Theme:

The convention theme will be the General Service Conference theme for that same year.

Finances:

The "Floating Roundup Money", currently \$3000.00, is Area 52 money. This money is passed from one area roundup committee to the next, through the Area Treasurer, to help get the roundup started. The host committee must return the fund money to the Area Treasurer within 60 days after the roundup.

The Area host roundup committee receives up to \$3000.00 of this fund in the following manner:

- Eighteen months (March Assembly) prior to the event, the Area Treasurer issues \$500.00 to the host roundup committee. The treasurer may issue the remaining \$2500.00 for the next year's roundup after receiving the return of the "Floating Roundup Money" (\$3000.00 plus profits) from the current year's host roundup committee.
- Startup funds for State Roundups can be issued prior to the 18-month requirement at the discretion of the Treasurer.
- The host district should take a businesslike approach to the finances and try to keep expenditures within a conservative estimate of anticipated revenues. A signed contract for the State AA Roundup facility is required. The "Floating Fund" is not to be used to offset any losses. A complete report of the expenditures and income is to be sent to the Area Treasurer, Area Chairperson, and the next host district.
- Any profits from the roundup are to be returned to the Area Treasurer within 60 days of the roundup, along with the "Floating Roundup Fund."
- In the event of a deficit, the Area Chairperson and Area Treasurer should be contacted to arrange for payments of funds to cover the loss. A fund equal to 20% of the "Floating Roundup Fund" has been set aside for this purpose.
