

**Area 52 PI/CPC  
Quarterly Steering Meeting  
April 29th, 2026**

**Attendees:** Dustin A., Tim H., Joel S., Kim B.

**District Committee Chairs Report:**

**District 1 - Tim H.** Recently attended informational booth to pass out literature and a ton of outreach was done. More health fair booths planned. Planned outreach at a Diabetes awareness walk at Spring Lake Park in June, Suicide Awareness Walk in July, Chokecherry festival in August. Has been calling organizers of these events to get an info booth secured. Working along side contacts with Alanon, booth next to one another really helpful in directing those interested in the right direction. Getting a few more people to join the committee, including a past delegate from AK. Hopeful to put on a professional luncheon someday with more committee help.

**District 2 - Kim B. (Minot)** - Fairly active, meeting with Job Corps. Putting on a few talks to Job Corps students and possibly start up an AA meeting there. Got into several new places to put literature. Doctor's offices willing to smaller pamphlet holders to restock literature is working really well in Minot. Doing emails to therapist in Minot about upcoming AA events to steer their clients. Expanding her committee members from White Shield and Parshal which is really exciting! PI luncheon tentatively planning this fall, would like to target a wide range of entities, but would love to get some of these jails active and open to AA. Educating church parishioners / members with a potluck luncheon + speaker this June 10th. Trivia/game for engagement.

**District 5 - Dustin A. (Fargo)** - PI luncheon in person went very well. Increased number of professionals! Virtual connections and sound challenges. Cost was split with BYOBB group. \$225 for speaker travel/gas/food costs. Held at NDSU memorial union in meeting room, underbudget. Total 30 registrants/ in person!!! Long-timers in programs attended as well to help field questions and make attendees more comfortable. Glad he had listed his phone number listed on the email, reached out to all registrants the day before, answered questioned, directed them to location. Not any students, a potential area to expand reach next year. PSA project to resume. Phone/website/QR codes being worked on for postcards. Volunteers for 12 steps call - running list started. 3-5 regular committee members, teamed up with BYOBB for the outreach efforts - over 120

business/entities - getting as many people to help. Individual chairs for venue, outreach, etc.

**District 6** - vacant

**District 7 - NEW - Joel S.** - Waiting on GSO welcome packet. Going to work on getting pamphlets.

**District 8 - NEW - Terry B.** No report

**District 10** - vacant

**District 11** - vacant

**District 12** - vacant

**District 13 - Nick J** - No report
